

The 4200 bench jogger is ideal for print shops and copy centers. It makes a great companion for high speed copiers, folding machines, printing presses, cutters, and perforators. The jogger helps eliminate static electricity and paper sticking for easier paper processing. The capacity of the heavy-gauge steel platform is 17" x 22" x 3". The speed of the jogger can be changed using the variable speed control.

- Ideal for print shops and copy centers
- Helps eliminate static electricity and paper sticking for easier processing
- Great companion for high speed copiers, folding machines, printing presses, cutters, and perforators
