# DocuCutter CC-330
Card Cutter

- Ideal for mid-volume digital print shops or in-plants

- User-friendly, compact and affordable in price

- Ideal for full-bleed business card applications with standard slitter cassette

- Also great for postcard, greeting card, and photo applications with optional slitter cassettes

- Accepts a wide range of paper stocks up to 110 lb. cover/300 gsm*

- Paper weight adjustment for heavier stock

- Accepts letter, legal, ledger, 12" x 18", 13" x 19" sized documents

- Up to 240 business cards per minute

- 7 pre-programmed jobs & 6 programmable jobs

- Cut mark sensor for top and bottom cutting accuracy to compensate for image shift
- ±0.2 mm cut and slit accuracy

* Works with some gloss and coated stocks- testing is required and available for free.

The **CC-330 Card Cutter** finishes a variety of digital color pieces including business cards, postcards, greeting cards, and photos printed on a wide range of paper sizes up to 13" x 19". Extremely simple to use and with speeds up to 240 business cards per minute, the CC-330 provides an efficient finishing solution for mid-volume jobs. Easily-interchangeable and optional slitter cassettes enable users to finish various types of applications in a matter of minutes.

The CC-330 offers a small footprint and comes with a stand to easily fit into any office or production environment. Finished pieces are delivered into a catch tray or the optional 15" stacking conveyor can be added. Waste is deposited into a bin inside the stand for easy removal. Compact and easy to use, the CC-330 eliminates cutting or slitting sheets by hand and brings efficiency to any operation.

Easy, user-friendly operator control panel, with LCD display

High-capacity feeder with three feed rollers plus two auxiliary feed wheels for consistent feeding

Easily-interchangeable cassette design
