

# iCrease Pro

Creasing

**Simple, hand-fed creasing, with a range of features.**

With the iCrease Pro, you get an easy-to-operate creasing machine with the automation and features you expect from bigger, higher-priced options. The iCrease Pro supports up to 12 crease locations, with automatic sheet measurement and set-up, and automatic set-up for 11 common fold types, including low-volume perfect-bind covers with or without hinge.

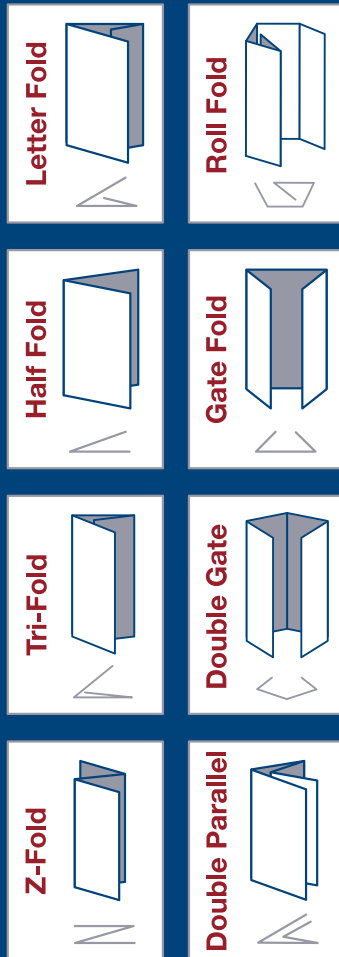

- ◀ Ideal for low and medium volume jobs
- ◀ Simple one-step hand-feed operation
- ◀ User-friendly touch screen for easy set up and control of the machine

## CREASING

- 2-Sided Creasing Rod
- Auto Setup
